Protected recreation trail for cyclists and pedestrians

UDOT will partner with West Valley City to improve an accessible neighborhood recreational trail. The trail will be constructed on the Utah and Salt Lake Canal Right of way and will be separated from motor vehicles. Trail construction will legitimize access and separate trail users from the canal maintenance access road, providing a path for children to use that is away from traffic. These improvements will also offer recreational opportunities for people to jog, walk, or bicycle.

Current identified budget: \$500-thousand

Legislative Districts:
Senate: 5
House: 32

Anticipated start date:
SUMMER 2008

Artist rendering

Municipality : West Valley City
